

Website Terms and Conditions of Use

Microsharp operates and owns this Microsharp Website ("Website").

Your access to the Website is conditional upon your acceptance and compliance with the following:

- The terms and conditions as specified in this document
- The Microsharp Privacy Statement, also made available on the Website
- Notices, disclaimers and any other terms and conditions or other statements contained on the Website (referred to collectively as "Terms of Use").

Microsharp reserves the right to amend the Terms of Use at any time at its discretion.

Your use of and access to the Website indicates your agreement to the Terms of Use.

Restrictions and Intellectual property of Content on the Website

All of the content on this Website including but not limited to material, photographic images, , graphics, text, information, software and advertisements ("Content") is the property of their respective owners including Microsharp, its suppliers and/or licensors unless indicated otherwise on the Website.

The Content is protected by Australian and International copyright and trademark laws. You must not copy, republish, reproduce, modify, upload to a third party or distribute the Contents on the Website in any way except as expressly authorised in writing by the Microsharp or expressly provided for on the Website.

You must not use the Website in any manner or for any purpose which is unlawful or in any manner which violates any right of Microsharp, its suppliers and/or licensors or which is prohibited by the Terms of Use.

Links to Third Party Websites

The Website contains hyperlinks to third party's Internet websites. Neither does Microsharp control these linked websites nor is it responsible for their contents. These hyperlinks to you as a convenience only, and does not imply an endorsement of the linked website by Microsharp.

Disclaimer and Limitation of Liability

The rights and remedies on you in relation to the provision by Microsharp of goods and services on the Website may be covered by the Trade Practices Act and similar State and Territory legislation in Australia . These rights cannot be excluded, restricted or modified ("Non-excludable Rights").

Microsharp excludes all other conditions and warranties implied by custom, law or statute but it does not exclude any Non-excludable Rights.

Except as provided for by the Non-excludable Rights:

1. All content is provided without warranties of any kind, either expressed or implied. In other words, it is provided on a "as is" basis.
2. Microsharp and its suppliers expressly disclaim all warranties of any kind. This includes but not limited to fitness for a particular purpose and implied warranties of merchantability.

3. In terms of correctness, accuracy, timeliness, completeness, reliability or otherwise , no warrant or any representation given by Microsharp regarding your access to, or the results of your access to the Website and any related or linked websites or any Content;
4. No warrant is given by Microsharp regarding continuity of server, error free, free of viruses or any other harmful components of the functions or Content contained in or delivered by the Website, nor will any defects be corrected
5. Any cost of any necessary verification, maintenance, repair and/or correction of any relevant Content is to be assumed by you.

Termination

The Terms of Use are effective until terminated by Microsharp at any time without notice in its complete discretion.

All restrictions imposed on you and all Microsharp disclaimers and limitations of liability set out in the terms of use will survive in the event of termination which renders you no longer be authorised to access the Website,

Trademarks of Microsharp and Third Parties

Microsharp and other respective third parties own the property rights to trademarks, trade names or logos displayed on the Website site.

No granting of any license or right of use of any trademark, trade name or logo displayed on the Website without the express prior written permission of their respective owner.

Privacy

According to respective laws and regulations, Microsharp treats your personal information seriously.

Please view our Privacy Policy on this Website.
